

Mark A. Jewell, PhD

**President
EPI-Q, Inc.**

Dr. Jewell has 25 years of experience within the life science industry, hospitals, and managed care. Mark uses his skills as an epidemiologist and businessman to develop strategies that translate into data driven approaches that create value for EPI-Q clients. Dr. Jewell has co-authored a number of peer-reviewed articles and is an adjunct faculty member at the University of Illinois School of Public Health. He received his Master of Public Health from the University of Illinois School of Public Health and a Doctorate in Health Services from Walden University, Minneapolis, Minnesota. He holds faculty positions at the University of Illinois College of Pharmacy and School of Public Health and remains active in professional relevant organizations.
